Postgres Backups: Logical vs. Physical

Within Postgres there are two forms of backups and understanding them is a useful foundation for anyone working with Postgres.

CRAIG KERSTIENS

Databases and Distributed Deadlocks: An FAQ

A look at what happens if a transaction needs to update data spread across multiple machines, which can be a concern with Citus's extensions to Postgres.

MARCO SLOT

Building An Interactive Game of Thrones Map

A fun guide to building a Node.js API to serve a geospatial 'Game of Thrones' map, leaning heavily on Postgres (with PostGIS) and Redis.
